

## Standard, Modified & Custom DC/DC Converters

(Designed, built & tested exclusively in USA)

### Areas of Expertise

- Extra small cases (0.5x0.5x0.3)
- I/P Voltage 3-500 VDC
- O/P Voltage up to 10,000 VDC
- Ultra low output noise (as low as 2-5 MVVP Ripple)
- -40degC - +85degC

### Value Proposition

- Huge Catalog of Standard Models (Up to 30Watts)
- Modify/ Customize Standard Catalog Converter with no NRE fee
- Custom Converters: Designing & manufacturing converters to specific electrical & mechanical requirements,

## Products

### Different Packages Offered

- 1 x 2 Series Isolated
- 1 x 2 Series Non Isolated
- 2 x 2 Series Isolated
- 2 x 2 Series Non Isolated
- Extra Small
- Extremely Small
- High Voltage Units
- Large Packaging
- Low Cost Series
- Small Series
- Small size, Medium Power
- Toroidal Inductors
- Ultra Low Noise
- Ultra Small Series
